ASTHMA CONTROL TEST:

- STEP 1:** Write the number of each answer in the score box provided.
STEP 2: Add the score boxes for your total.
STEP 3: Fax or e-mail us the results **24 hours prior** to your scheduled Xolair appointment.

1. In the past 4 weeks, how much of the time did your asthma keep you from getting as much done at work, school or at home?

All of the time	Most of the time	Some of the time	A little of the time	None of the time	Score
1	2	3	4	5	<div style="border: 1px solid black; width: 30px; height: 30px; margin: 0 auto;"></div>

2. During the past 4 weeks, how often have you had shortness of breath?

More than once a day	Once a day	3-6 times a week	Once or twice a week	Not at all	
1	2	3	4	5	<div style="border: 1px solid black; width: 30px; height: 30px; margin: 0 auto;"></div>

3. During the past 4 weeks, how often did your asthma symptoms (wheezing, coughing, shortness of breath, chest tightness or pain) wake you up at night or earlier than usual in the morning?

4 or more nights a week	2-3 nights a week	Once a week	Once or twice	Not at all	
1	2	3	4	5	<div style="border: 1px solid black; width: 30px; height: 30px; margin: 0 auto;"></div>

4. During the past 4 weeks, how often have you used your rescue inhaler or nebulizer medication (such as Albuterol)?

3 or more times per day	1 or 2 times a day	2-3 three times per week	Once a week or less	Not at all	
1	2	3	4	5	<div style="border: 1px solid black; width: 30px; height: 30px; margin: 0 auto;"></div>

5. How would you rate your asthma control during the past 4 weeks?

Not controlled at all	Poorly controlled	Somewhat controlled	Well-controlled	Completely controlled	
1	2	3	4	5	<div style="border: 1px solid black; width: 30px; height: 30px; margin: 0 auto;"></div>

Total

*****I understand that it is mandatory that I have an adrenaline auto-injector with me when I receive treatment with Xolair and that I need to continue to carry this device with me for at least the next 24 hours after my Xolair injection(s).**
